### FISCAL ANALYSIS

#### Assumptions:

##### **Department of Fish, Wildlife and Park**

1. For game management purposes, the FWP Commission may issue special antlerless moose licenses, special cow or calf bison licenses, or one or more special adult ewe mountain sheep licenses to an applicant at a reduced price.
2. Any decrease in the fees of the licenses issued will be offset by an increase in the number of licenses issued: therefore this bill will be revenue neutral.
